Cooking Oil Collection Service (Bucket /Bin Program)

We are proud to offer a program to provide you with cooking oil for your needs with a great new environmentally friendly way to dispose of your used oil.

We offer:

- Cooking oil to you at competitive prices
- Free removal of waste oil in our sealed 5 gallon waste oil containers or we offer grease collection bins for customers with bigger needs (minimum usage required)
- Regularly scheduled pick ups and deliveries
- Payment for used oil

Benefits:

- No more slippery areas due to spilled grease
- No more outside grease bins
- No more offensive odors
- Reduced insurance costs due to a safer work environment
- No more security breaches ~ employees won't need to leave the restaurant to dump the oil

Environmental:

- Your waste oil will be recycled to produce cleaner burning bio-diesel
- You will help in the fight to reduce our dependence on foreign oil
- You can proudly display the provided decals in your store showing the community your concern for the environment

Contact your sales representative today for details so we can all strive for a cleaner, greener tomorrow!
